| Auto-ignition temperature                  | : No data available                  |
| Decomposition temperature                  | : No data available                  |
|                                            |                                      |

## Safety Data Sheet

according to Regulation (EC) No. 1907/2006 (REACH) with its amendment Regulation (EC) No. 453/2010

| Flammability (solid, gas)        | : Flammable<br>Flammable liquid and vapour    |
|----------------------------------|-----------------------------------------------|
| Vapour pressure                  | : 3 mm Hg at 25° C                            |
| Relative vapour density at 20 °C | : 4.62                                        |
| Relative density                 | : No data available                           |
| Density<br>Solubility            | : 0.937 g/cm <sup>3</sup><br>: Water: Soluble |
| Log Pow                          | : No data available                           |
| Viscosity, kinematic             | : No data available                           |
| Viscosity, dynamic               | : 1.14 mPa.s 20° C                            |
| Explosive properties             | : May form explosive peroxides.               |
| Oxidising properties             | : No data available                           |
| Explosive limits                 | : 0.05 - 0.174 vol %                          |
|                                  |                                               |
| 9.2. Other information           |                                               |

No additional information available

#### **SECTION 10: Stability and reactivity**

#### 10.1. Reactivity

No additional information available

#### 10.2. Chemical stability

Stable under normal conditions.

#### 10.3. Possibility of hazardous reactions

Reacts vigorously with strong oxidizers and acids.

#### 10.4. Conditions to avoid

Open flame. Heat. Sparks.

#### 10.5. Incompatible materials

Oxidizing agent.

#### **10.6.** Hazardous decomposition products

May release flammable gases. May form explosive peroxides.

#### - Inland waterway transport

Not regulated

#### - Rail transport

Not regulated

14.7. Transport in bulk according to Annex II of MARPOL 73/78 and the IBC Code Not applicable

**SECTION 15: Regulatory information** 

15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture

#### 15.1.1. EU-Regulations

#### No REACH Annex XVII restrictions

Bis(2-methoxyethyl) ether is on the REACH Candidate List

Bis(2-methoxyethyl) ether (diglyme) is on the REACH Annex XIV List:

| Authorisation number | Sunset date | REACH authorization exemptions |
|----------------------|-------------|--------------------------------|
|                      | 22/08/2017  |                                |

#### 15.1.2. National regulations
